

# Gold

## Advantage

### Product Data Sheet

TechINK Gold Advantage digital printing mild solvent inks accommodate a wider range of printhead and printer types for the super wide format market, using a range of Xaar, Spectra, Hitachi and Ricoh E1 printhead technologies. New features include increased colour gamut and optical density capabilities. It boasts improved post production handling, less smudging, faster drying and increased media compatibility - new adhesion to styrenes. Gold Advantage is the next generation of digital printing ink, an environmentally conscious solution with a low smell and no cyclohexanone. These new generation inks have an extended shelf life of 18 months.

<b>Product:</b>	TechINK Gold Advantage
<b>Identification:</b>	Solvent-based pigmented digital printing fluid
<b>Colour:</b>	Cyan, Magenta, Yellow, Black, Light Cyan, Light Magenta, Light Yellow, Light Black liquid
<b>Product Classification:</b>	Digital printing fluid
<b>Packaging:</b>	5 litre bottles with white/grey caps

#### Shipping Requirements

<b>Hazardous Identification:</b>	Regarded as non-hazardous cargo according to IATA Standards
<b>Temperature in Transit &amp; Storage:</b>	+5 to 35 °C
<b>Proper Shipping Name:</b>	Printing liquid

#### Operational Specifications

<b>Viscosity @ 22 °C:</b>	11 cPs ± 1
<b>Temperature:</b>	20 to 28 °C
<b>Relative Humidity:</b>	40 to 80% Non-condensing
